**Lam
if you do,
Lam
if you don't.**

If you do want the great look of Film Laminating...and if you don't want to risk the quality of your job, our computer controlled process assures outstanding results (up to 42"x 54" and 30 pt. stock) on displays, cartons, labels, book covers, annual reports, etc.

FILMLAMCo inc.

38 WEST 21ST STREET, NY, NY 10010 CALL 212-243-8400

**"I think,
therefore
I Lam."**

Our Lam is no philosophical abstraction. It's computer controlled Film Laminating with a superior quality you can clearly observe. Available in sizes up to 42"x 54" and 30 pt. stock. Think about it for displays, cartons, labels, book covers, annual reports, etc.

FILMLAMCo inc.

38 WEST 21ST STREET, NY, NY 10010 CALL 212-243-8400

**"Play it again,
Lam."**

You must remember this... once you've tried our computer controlled Film Laminating you'll want to play it again on you're next job. Available up to 42"x 54" and 30 pt. stock. As time goes by you'll want to use it on displays, cartons, labels, book covers, annual reports, etc.

FILMLAMCo inc.

38 WEST 21ST STREET, NY, NY 10010 CALL 212-243-8400

**We're not
Sheepish
about our
Lam.**

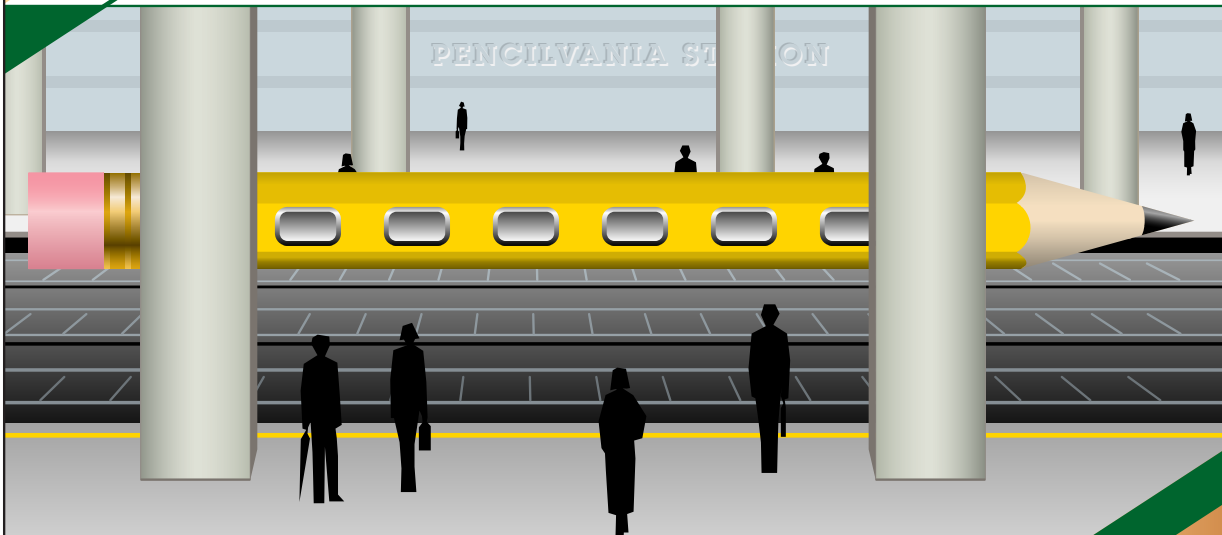

In fact we'd like to tell you more about our high quality, computer controlled Film Laminating. Available up to 42"x 54" and 30 pt. stock. For superior results on displays, cartons, labels, book covers, annual reports, brochures, etc.

If your train of thought doesn't reach the potential buyers at the next station...

...how can you pick up more business?

If your message just thrashes around aimlessly in an ocean of attractive options...

...will it get the attention you want?
